I. STANDARD:

- (a) Written policy, procedure, and practice provide that reasonable accommodations are made to ensure that juveniles with disabilities are housed in a manner that provides for their safety and security and appropriate facility programs and activities are accessible.
- (b) Single occupancy rooms shall be available, when indicated, for the following:
 - (1) Juveniles with severe medical disabilities.
 - (2) Juveniles suffering from serious mental illness.
 - (3) Sexual predators.
 - (4) Juveniles likely to be exploited or victimized by others.
 - (5) Juveniles who have other special needs for single housing.
- (c) Juveniles with disabilities are provided with the following:
 - (1) Rooms or housing units designed for their use that provide for integration with other juveniles.
 - (2) Programs and services that are modified or specifically accessible, or both, to them.
 - (3) Staff members who are appropriately trained to assist juveniles who cannot otherwise perform basic life functions.
 - (4) Education, equipment, facilities, and the support necessary to perform self-care and personal hygiene in a reasonable private environment.

Suggested document(s): Facility housing assignments with designations for populations (1) through (5); Floor plan with designations for populations (1) through (50); Case management records for juvenile with disabilities that show the four requirements are met; Photo of handicap accessible restroom area; Photograph of elevator and ramp for access to gym, dining hall, and living area; Training Agenda; Individual Treatment Plan

II. POLICY:

The Madison County Youth Center (MCYC) will provide reasonable accommodations to ensure that juveniles with disabilities are housed in a manner that provides for their safety and security. MCYC will ensure that facility programs and activities are accessible to all youth.

III. DEFINITIONS:

None

IV. PROCEDURE:

MCYC has thirty-two (32) single occupancy cells. At no time will multiple juveniles occupy the same cell.

Juveniles with disabilities are permitted to join the general population after their intake observation status has concluded.

As needed, the Manager/Supervisor of the Secure Detention Unit along with the Unit Therapist and/or Learning Center Educators will work in conjunction to modify or make specifically accessible facility programs and services. An Alternate Intervention Plan and/or Special Program will be created to specify the special needs of the juvenile.

Juveniles with disabilities will be provided with education, equipment, facilities, and the support necessary to perform self-care and personal hygiene in a reasonably private environment.

MCYC Staff will be trained annually on how to assist with basic life functions of juveniles with disabilities.
